FOR CHIEF ENGINEER FOR ELECTRICITY.

Encl: copy of letter. & 3 copies
VAG.16/2.

Copy of letter No.EE/41/55-3794 dated 10-2-55 From The Professor of Electrical Engineering Section, Department of Power Engineering, Indian Institute of Science, Bangalore to the Chief Engineer for Electricity, 157, Mount Road, Madras.

Under the conditions of agreement, Mr.B.V.Narayana Iyengar, our Assistant Professor of Electrical Engineering has to spend the summer months with some electrical engineering organization specially with reference to power system planning and construction. Accordingly we arranged for Mr. Narayana Iyengar to spend the summer months of 1953 with the Tata Hydro-Electric Company, Bombay and the summer months of 1954 with the Damodar Valley Corporation.

It is now proposed that Mr. Narayana Iyengar will have an overall idea of the different power system organisations in the country so that he can have a comprehensive idea to enable him to carry on with the work on the network Analyser that is being used at this Institute.

With this end in view, I am writing to request you to kindly arrange for facilities for Mr.Iyengar to spend about 2 weeks from 11th June 1955 at your place.

An early reply will help Mr.Iyengar to arrange for his finalising the programme.
